

NAVIGATING THE 2005 ANNUAL REPORT

The **Table of Contents** (Page ii, immediately following the cover) is interactive. Clicking on a page listing will jump to the corresponding page. Clicking the colored page bar at the bottom of any page will jump back to the Table of Contents.

Beginning with **Joint Forces Headquarters Kansas** on Page 41, clicking on the colored bar at the top of a page or a section listing will jump you to a Kansas map showing the locations of all Kansas National Guard units. Clicking on the name of brigade or battalion level command on the map will jump to the corresponding page in the 2005 Annual Report. Clicking the **Kansas Army National Guard** or **Kansas Air National Guard** symbol at the top left and right corners of the map will also jump to the beginning of the appropriate section in the 2005 Annual Report.

Some individual units, such as the 73rd Civil Support Team, have their own interactive links, as well.

A separate box at the top left of the map, titled **Major Transformations**, contains links that will jump to the appropriate section of the 2005 Annual Report.
